

**REMARKS**

Claims 1-17 are pending in this application.

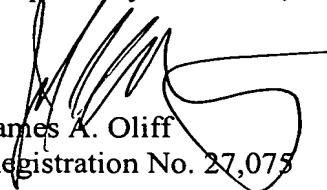

Applicant appreciates the telephone call from Examiner Baker regarding this application. Applicant's separate record of the substance of the telephone call is incorporated into the following remarks.

The Examiner indicated that the consent of the assignee was objected to, as not clearly indicated whether Xerox Corporation was the owner of the entire right, title, and interest. As suggested by the Examiner, attached is a newly executed Statement Under 37 C.F.R. 3.73(b) and Consent of Assignee to Reissue, which should obviate the objection.

The Examiner also indicated that corrected drawings were required, amended in the form required for Reissue applications. Although corrected drawings were previously submitted, attached hereto is a further set of corrected drawings. The corrected drawings include amended Figures 6, 8 and 9. As required, each of the amended figures contains a label "(Amended)" near the figure number. None of the figures is labeled "Replacement Sheet" or shows underlining or brackets.

Should the Examiner believe that anything further would be desirable in order to place this application in even better condition for allowance, the Examiner is invited to contact the undersigned at the telephone number set forth below.

Respectfully submitted,
